Full Service Event Production Services for Winter's Eve 2018

INTRODUCTION

The Lincoln Square District Management Association, Inc. *dba* Lincoln Square Business Improvement District (LSBID), a private 501 (c) 3 not-for-profit tax exempt corporation, is seeking proposals for a one-stop shop Event Production company for the Lincoln Square BID's signature event, Winter's Eve at Lincoln Square – New York's largest holiday festival.

Winter's Eve at Lincoln Square ("Winter's Eve" or the "Event") is a unique neighborhood holiday celebration held one day a year (to be held on Monday, November 26, 2018 this year) featuring free entertainment, live music, food samplings, and dozens of activities in the stores, public spaces, and along the sidewalks of Lincoln Square, the gateway to the Upper West Side.

Proposers are invited to submit proposals for the work in accordance with the Scope of Work and terms and conditions of this Request for Proposal (RFP) which includes conceptualizing, managing and executing the Event. Proposers are requested to be creative, innovative and as comprehensive as possible.

The objective of the RFP is to select a company to provide the Event Production Services, as described in this RFP, for Winter's Eve. The Event Production Services will be provided during the six month period leading up to the Event, including the day of the Event, Monday, November 26, 2018.

HISTORY

Now celebrating its nineteenth year, Winter's Eve has become New York City's largest holiday festival and a tradition in the New York metropolitan area. The event is kicked off with the Upper West Side's only tree lighting ceremony at Dante Park and activities are organized along and around Broadway at some 20+ venues from Time Warner Center at Columbus Circle to 68th Street. And, with the exception of nominal cost for food tastings, Winter's Eve is a free outdoor event for the public.

On the night of Winter's Eve, dozens of stores, restaurants, shops, cultural organizations and public spaces in the district buzz with free entertainment and activities for all. Each year, thousands of people stroll through the streets to enjoy a bite to eat, watch legendary performers and up-and-coming bands, laugh with street buskers, dance with friends, and shop for the holidays.

Winter's Eve was created in 2000 to invite thousands of holiday revelers into the neighborhood's stores and restaurants. For one evening, this high profile cosmopolitan area turns into an idyllic winter wonderland, providing visitors with a taste of this thriving Upper West Side neighborhood. Each year, Winter's Eve exceeds in serving its intended purpose – to promote all of the wonderful area retail establishments, restaurants, non profits, and cultural organizations, to enhance the image of the Upper West Side, and above all to create a sense of community in Lincoln Square.
